

EVO

BY FOREST RIVER

A BUNKHOUSE THAT CAN CONVERT TO A GARAGE.

ELECTRIC BUNK SYSTEM. *The 2700 features a full size triple bunk with an electric bed lift system. Rear beds are on an electric lift with a large access door for loading bikes, kennels, or whatever equips your trip.*

2700

All EVO's have LED lights in the interior which ensures highly efficient battery use.

KITCHEN

MASTER BEDROOM & KITCHEN

Most Master Bedrooms have walk around queen beds with easy light up storage and large closets. Our Kitchens are loaded with extra storage, including the half barrel storage pantry underneath the counter.

BEDROOM

WALK OUT BATH (PER FLOORPLAN)

BATHROOMS

Always large! This makes changing, showering, and cleaning easy with full tub surround and spacious layout.

Showing the very popular 2460 model with standard Jackknife sofa and oversized pull out storage drawer. (Reclining Chair Option Available)

2460

A MIX OF
EVERYTHING
YOU LOVE.

**BAY WINDOWS
& RECLINERS**

Enjoy the view through the wall to wall picturesque rear window. Let the natural light in when you want it, as you relax in the deluxe optional recliners.

KITCHEN

BAY WINDOW & CHAIRS

KITCHEN

The 2460 kitchen has all the storage you would want while camping, with oversized overhead cabinets and convenient spice rack.

BATHROOM

BATHROOM

With modern style bathrooms, most floorplans offer the glass shower door which is not only beautiful but practical.

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
