

ROCKWOOD TENT CAMPERS

Rockwood

PROVIDING OUTDOOR FUN SINCE 1974.

TENT CAMPERS

LIMITED, ESP, FREEDOM, HIGH WALL & HARD SIDE CAMPERS

Freedom

MAKING YOUR INVESTMENT GO A LONG WAY. Rockwood takes pride in packing the most value possible into our Freedom series. Finding the perfect fit for the specific needs of your active family is made easier by the wide variety of floor plans available. While each model comes standard with many features, you still have flexibility to incorporate as many options as you choose to fit your camping preferences.

Extreme Sports Package

WELCOME TO THE ROCKWOOD EXTREME SPORTS PACKAGE (ESP), a camper designed for active couples and families. Whatever the preference; mountain biking, canoeing, paddle boarding or surfing, the ESP camping trailers are designed to allow you to make the most of your outdoor experience.

BUILT FOR 21ST CENTURY CAMPING. The ESP package has interior features targeted for the modern, active lifestyle including a Digital Media Receiver with Bluetooth, MP3 player, USB and auxiliary ports, WiFi Ranger WiFi Booster, recharging station with (2) additional USB ports, LED interior lighting and more.

CARGO CARRYING VERSATILITY. The Rockwood ESP camper features ProRac Systems, Inc. permanent mount cross bars that provide a load-bearing surface for securing up to 150 lbs. of a wide variety of outdoor sports equipment.

UNBOUNDED ADVENTURE. Distinctive fender flairs and 15" Mud Rover Radial Tires with Aluminum Wheels that provides for 12" ground clearance to go anywhere.

Premier

THE ROCKWOOD PREMIER IS THE TOP TENT CAMPER ON THE MARKET TODAY. The expansive EZ Reach storage trunk for that extra cargo space, a comfortable, heated, inner-spring mattress, for a peaceful night's sleep, large slide out dinette for a more spacious interior and the convenient power lift system for easier setup are some of the basic features that really make your camper a Premier.

High Wall

KISS THE CAMPGROUND BATH HOUSE GOODBYE. Welcome to the Rockwood High Wall Series. We have designed this series for the camping family who wants the refinement of larger vacationing units in a light-weight camper. Ample counterspace, upgraded appliances, convenient pull-up curtains providing a wide view of the surroundings and tasteful interiors make this camper a gorgeous option to experience.

Hard Side

QUITE POSSIBLY THE BEST OF BOTH WORLDS. When you combine the solid exterior of a travel trailer with a Premier tent camper, you get the Rockwood Hard Side Series, giving your camping experience the best of both worlds. Bringing a smooth, fiberglass vacuum bonded exterior with a quick, easy set up, while retaining the towing and storage advantages of a tent camper, the Hard Side camper is the perfect blend.

Hard Side High Wall

EVER GET MORE THAN YOU EXPECT? That is what you get with the Rockwood Hard Side High Wall Series. What appears to be another easy to tow, convenient to store camping trailer transforms into a fully equipped camper with many of the amenities commonly found in today's travel trailers.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Rockwood Warranty. Our Promise.

FOR DETAILS ON ROCKWOOD'S COMPLETE WARRANTY PROGRAM, SEE YOUR ROCKWOOD DEALER. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details

1. Five-year roof warranty (Excludes Hardsides),
2. Twenty-five-year floor warranty,
3. Five-year frame warranty,
4. Five-year tent warranty,
5. Ten-year warranty on torsion axle suspension,
6. Limited lifetime warranty of lifter system (Excludes Hardsides)
