# FORESTER

BY FOREST RIVER

Tasteful design, combined with a unique combination of style, value and preferred amenities make travel in the Forester comfortable and loads of fun. Forester's unique split level design provides maximum headroom in the living area, while still offering pass-through storage on every floorplan. Plus, all Foresters are "Certified Green" by TRA Certification.

## STANDARD SERIES TOP FEATURES

- Lane departure warning system
- FR upgraded premium suspension system includes Bilstein shocks and Hellwig sway bar
- Firestone Ride-Rite™ air spring suspension
- ONEControl® smart phone remote and monitor system
- 7' Ceiling height
- 40" 12V LED TV
- Crowned fiberglass roof
- Trekker cap option with built-in entertainment center and storage IPO overhead bunk
- 2" Thick gel coat sidewalls with lightweight composite waterproof material
- Heated enclosed tanks
- Water filtration system
- Electric awning with LED lights
- Valve extensions for rear tires
- 7,500 Lb. tow rating (Ford only)
- Two cab-over windows in the bunk area (N/A Trekker cap option)
- Upgraded stainless steel appliances with 1.3 cu. ft. microwave
- Standard side view and back-up cameras
- Front cab magnetic black-out shades enhance privacy
- Solid surface kitchen countertops
- Slide out awning toppers
- Integrated entry step
- CarPlay/Android Play Sony® stereo
- Maxx Air vent with cover
- Solar prep

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)\* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)\*\* - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\*Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit. Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

## FR Upgraded Premium Suspension System

Includes Bilstein® Shocks, Hellwig RV Sway Bars and Firestone Ride-Rite Air Springs

Available on standard Class C, built on Ford E-450 (N/A on MBS, Transit, LE and Chevy)

### Bilstein® Shock Advantages

- Monotube gas pressure shock absorbers virtually eliminate excessive sway and bounce
- Tested and tuned for your specific motorhome, for a safe and enjoyable ride
- Improved handling and consistent performance
- 228% Larger piston creates greater sensitivity and tighter vehicle control
- Lifetime warranty

### Hellwig RV Sway Bar Advantages

- Increase driving stability at highway speeds and reduce the effects of crosswind
- Improve traction and cornering abilities for safer driving
- No more white knuckle driving
- Most effective handling upgrade available for RVs
- Lifetime warranty

### Firestone Ride-Rite Advantages

- Adjustable air springs provide an improved ride, and a better way to balance loads

Large panoramic windows with black-out shades for plenty of fresh air and natural light.

LED lights generate almost no heat compared to incandescent lights and use substantially less power.

Forester is appointed with rich residential style hardwood cabinetry with ball bearing drawer glides

12V 4-Port USB charging station (Living room/bedroom, N/A LE)

Winterizing tube provides easy access for quick maintenance includes bypass valve.

Two batteries in a single housing for easy access. (One battery LE and Transit)

Forester is equipped with a residential mattress for a good night's sleep.

The overhead bunk is rated for 440 lbs. and includes a cab over safety net

This Winegard HD digitally amplified antenna enhances reception.

Seamless front cap for enhanced aerodynamics

Solar On-Board roof-mounted, optional 12V charging station

This compact unit filters water for the entire coach, eliminating unwanted contaminants and odors, ensuring safe drinking water for you and your family. (N/A LE)

Solar Prep

Outside speakers

This holding tank vent cap eliminates odors and gases from the holding tanks and exhausts them out the roof, without the use of costly chemicals.

Durable, easy to clean (R-18) crowned fiberglass roof sheds water and doesn't cause black streaks like a rubber roof.

Heated/enclosed holding tanks use warm air from the furnace to protect tanks and valves. (N/A 2251 SLE, MBS and Transit)

All models include Atwood ducts for high performance air flow throughout the coach and front cabover.

Forester's entry step is integrated into the sidewall. No more slippery, or damaged power steps. (N/A MBS)

Comfortable sofa with footrests, folding armrests and drink tray converts to a convenient sleeping area.

Extend and retract the power awning with the push of a button. Both arms are adjustable to get just the right angle.

Maxx Air Fan recirculates air throughout the entire coach.

The Sony touch screen in-dash stereo system pairs up with your smart phone for access to Apple CarPlay/Android GPS and other applications. (N/A on Transit or LE)

This multimedia entertainment system features AM/FM/DVD, Bluetooth, plus outside speaker control.

Progressive Dynamics patented 4-stage Charge Wizard<sup>®</sup> converter system has been shown to increase battery life by 2 to 3 times or more. It constantly monitors battery usage and voltage, then selects one of four operating modes to properly charge and maintain the battery. Boost, Normal, Storage and Equalization.

Atwood 18 GPH water heaters (6 gallon tank) out perform traditional 10 and 12 gallon tank water heaters. They're also 50% lighter and have no anode rod to replace.

7,500 Lb. Tow capacity (Ford E450)

## CONSTRUCTION

### Multi-Layered Laminated Roof System

- 1. Crowned Fiberglass Roof
- 2. Luan Decking
- 3. Block Foam Insulation
- 4. A/C Ducts
- 5. Tubular Aluminum Framing
- 6. Interior Ceiling Material

### Vacuum-Bond Laminated Sidewalls

- 7. Decorative Interior Wall Board
- 8. Tubular Aluminum Framing
- 9. EGS Metal Backers
- 10. Block Foam Insulation
- 11. Opening Framed In Aluminum
- 12. Lightweight Composite Waterproof Material
- 13. Gelcoat Fiberglass Exterior

### Vacuum-Bond Laminated Floor System

- 14. Fiberglass Bottom Board
- 15. Block Foam Insulation
- 16. Seamless Floor Decking
- 17. Resilient Shaw Floors Throughout
- 18. Aluminum Framing

## FORESTER VS. THE COMPETITION

**FORESTER**  
2" Wall with Block Foam and SuperLite (R-10)

**SUPER LITE WALLS**  
All models use SuperLite composite instead of a wood substrate on the sidewalls. It is lightweight, formaldehyde free and is not affected by moisture.

**COMPETITION**  
1.5" Wall with Luan (R-6)

**FORESTER**  
By FOREST RIVER

**LE**

3251DSLE Shown in Putty Decor with optional Rustic Cherry cabinetry
