24RK ESPRESSO

One step into the Grey Wolf, you will notice all of the stylish details and designs. Dinette cushions and valances show a soft and elegant look. The over-sized dinette window offers you tremendous views and the security of being able to keep children in sight. These features are just a few reasons why Grey Wolf stands above the rest.

26RR

NATURAL

The Grey Wolf's smart design and remarkable attention to detail is what customers experience when they step inside. A deep level of pride goes into our work and we continue to push ourselves forward when it comes to innovation.

GREY WOLF INTERIOR FEATURES

A Our large and spacious slide out room features comfortable dinette cushions and extra large dinette seating. Our oversized windows usher an abundance of light into the unit.

B Our large entertainment area is accented with a beautiful faux rock wall. This feature, found in our optional Limited Package, is an attractive focal point while enjoying your favorite movie or TV program. (Shown with optional LED TV)

C Our Upgrade Sofa, found in our Limited Package, features fold down cup holders which is an ideal location to set your favorite beverage.

D A huge, residential pantry is featured in select models; giving you an abundance of storage for camping supplies.

E Our Large Kitchen Skylight with Shade ushers in an abundant amount of light to help brighten the inside of your trailer and is also found in our Limited Package.

F Grey Wolf's drop in cooktop with a glass cover found in our optional Limited Package gives a beautiful upgrade look to our spacious kitchens.

G Our Beautiful Pull Out Faucet found in our XL Package, allows you extra room to clean up dishes with ease.

H The under mount, single bowl kitchen sink serves as a large basin to wash dishes or fill large pots for cooking. An optional sink cover provides a flush surface for cooking and meal preparation.

The graphics on the Grey Wolf are very attractive and are an eye catcher, while the lower, front diamond plate helps prevent stone chips.

GREY WOLF EXTERIOR FEATURES

I Grey Wolf's Power Awning, found in our optional Limited Package, provides an easy way to shade the exterior patio area with just a push of a button.

J Grey Wolf's friction hinge door eliminates the bothersome door latches found on other brands. These hinge allow you to swing open the entry door at several different angles.

K The Grey Wolf's exterior speakers and TV bracket and hook ups, found in our Limited Package, provides excellent sound quality and a place for your entertainment.

L Tire Pressure Monitors, found in our Limited Package, is a simple and easy way to check your tire inflation before setting off on your next camping trip.

M The radial tires also found in the optional Limited Package provide an exceptionally smooth ride.

N The rear back up camera mount, found in the optional Core Package, allows you to install an optional rear viewing camera. This feature provides an easy way to back up into tight areas.

O The elegant LED strip lighting under the awning rail is offered in the optional Limited Package. This beautiful accent lighting provides a warm and inviting glow to your patio area.

P The heavy duty power tongue jack, in the optional Limited Package, enables you to easily load your trailer with a push of a button.

Q The rear travel rack, in the optional Limited Package, is an ideal location to store coolers, bicycles and any extra items that you want to take with you on your outdoor adventure.

R The RVQ Quick Connect provides an additional exterior LP gas connection. This feature is found in our optional XL package.

S Our Black Tank flush option found in our Value Package is a great way to make sure your black tank is thoroughly rinsed before returning home..

T The self- adjusting brakes and quick super lube axles are two superior features found in the optional Core Package, giving you added safety and convenience.

29BH NATURAL

EXPERIENCE THE FUN WITH GREY WOLF.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank,

empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All illustrations and specifications contained in this literature are based on the latest product information at time of publication. Forest River reserves the right to make changes in prices, colors, materials, equipment and specifications at anytime without notice and assumes no responsibility for any error in this literature. All units are shipped F.O.B. Coshen, Indiana. CONSULT YOUR LOCAL DEALER FOR WARRANTY INFORMATION. FOR 1242 PW: 2015.09.10
