IT'S WHAT'S INSIDE THAT COUNTS.

The modern rustic design features barn-style wood passage doors, authentic slate backsplash, solid surface countertops and two-tone cabinetry, providing a true residential feel. Upgraded appliances complement the styling, while the plank vinyl flooring with zero carpet and central vacuum system help keep Mother Nature outside. Blackout roller shades offer additional privacy throughout.

Our Nitro series has you covered with 11' to 17'6" of garage space. This comprehensive lineup of Fifth Wheel floorplans offers something for everyone and features models with 2, 3, or 4 slides.

HERE COMES THE **L**WORD: LIVABLE.

THESE BEAUTIES ARE **RATED R**: RUGGED.

WHY XTRA MATTERS?

What's XTRA BUILT? If you compare us to other Travel Trailers and Fifth Wheels, you'll see that an XLR Toy Hauler is simply built right. We know that Action Campers use their RV's the way they play—harder. So stronger construction and features mean you'll be ready for the road (or offroad).

XTRA CONSTRUCTION FEATURES

- 1 Body Armor Protective Underbelly
- 2 Ducted Loop A/C Distribution System
- 3 Laminated & Insulated Slide Room
- 4 Best in Class 5,000-lb. Tie-Down System
- 5 Dexter® Axles
- 6 Aluminum Framed Sidewalls
- 7 Tongue & Groove Plywood Floor Decking
- 8 Gelcoat Fiberglass High Gloss Exterior

CONSTRUCTED TO **LAST**:

Our radiant-reflective insulation layers are 97% efficient in keeping you comfortable.

Heavy-duty Dexter® axles offer you best in class carrying capacities.

All units are wired for 50AMP service with color coded wires making maintenance and repairs even easier.

The XLR fully enclosed "Body Armor" underbelly is insulated and uses a panel system for ease of access.

ECO MODE

Nitro's NPS Yamaha generator features the new ECO MODE, the latest iteration of software and components for a quieter, more efficient, operation.

FUELING STATION

Take it all with you! Now you can load the toys for the weekend and keep them going with our on-board 30-gallon fueling station.

MORryde® SUSPENSION

3" of vertical travel which reduces road shock and chassis fatigue.

LIPPERT® WEATHER-PROOF RAMP DOOR

Able to leave out in all conditions minimizing the risk to the ramp door.

Our vacuum-bonded technology provides superior adhesion and durability.

A Wide-Track frame design provides a more stable and stronger foundation over our skinnier competition.

XLR has offered the strongest 5,000-lb. tie-down anchor system in the industry since day one to secure your precious cargo.

A MORryde® CRE3000 premium suspension smooths out even the toughest of North America's roads.

XLR utilizes weather resistant tongue-and-groove plywood in all main living areas.

Our 1.5" fresh water drain provides a lightning fast way to empty your tank.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate feedback to production for quality assurance in every unit built.
