CEDAR CREEK
EXPERIENCE

Actual towing capacity is dependent on your particular loading and towing circumstances, which includes GVWR, GAWR and GCWR, as well as adequate trailer brakes. Please refer to the Owner's Manual of your vehicle for further information. All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. ©2024 Forest River, Inc., a Berkshire Hathaway company.
