# FOREST RIVER

A Berkshire Hathaway Company

## BUILT AND BACKED BY FOREST RIVER

Founded in 1996 by Pete Liegl, Forest River, Inc. has evolved into North America's largest manufacturer of recreational vehicles, cargo trailers, pontoon boats, and commercial vehicles including buses, vans, and trucks. Its portfolio includes market share leaders in every category, and it is the country's leading manufacturer of buses and vans for both the private and public sectors. Based in Elkhart, Indiana, Forest River employs 14,000+ employees in 100+ facilities in more than a half dozen states. With a commitment to excellence and a focus on customer satisfaction, Forest River is proud to be a Berkshire Hathaway company.

## NEVER STOP GOING.™

**At No Boundaries, we believe the only limits that exist are the ones we accept.**

Born from a restless spirit and a hunger for more, No Boundaries is more than a brand — it's a mindset. It's for the dreamers, the doers, the rebels, and the creators. The ones who dare to ask, "What if?" and then go out and live the answer.

We exist for those who push past fear, break through convention, and refuse to be boxed in — in life, in style, in purpose. Whether you're carving your own path through a crowded world or simply chasing your next high, No Boundaries is your companion in the pursuit of freedom, authenticity, and growth.

Everything we design, create, and share is built to inspire you to move beyond comfort zones — to challenge the expected, to embrace change, and to live with unapologetic confidence. Because when you live with no boundaries, you live without limits.

**Join the movement. Rewrite your story.**

**Live with No Boundaries.**
