Introduction

This document details the operation and maintenance of manual steps.

Safety

AWARNING

The "WARNING" symbol above is a sign that an installation procedure has a safety risk involved and may cause death or serious injury if not performed safely and within the parameters set forth in this manual. The trailer MUST be supported per manufacturer's recommendations before working underneath. Failure to do so may result in death, serious personal injury or severe product or property damage.

Moving parts can pinch, crush or cut. Keep clear and use caution.

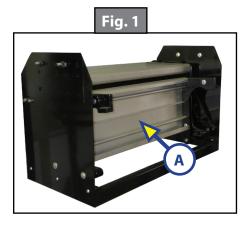

Step Operation

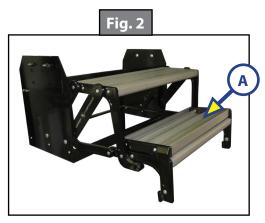

Unfolding Steps

- 1. Pull out on the top lip of the step vertically stored (Fig. 1A).
- 2. Pull up and out on the back of step resting on the second step (Fig 2A).
- **3.** Unfold bottom step (Fig. 3).

Folding Steps

- 1. Pull up on bottom step and fold over the second step (Fig. 2A).
- 2. Pull up on bottom of steps and fold inward under top step (Fig. 1A).

Maintenance

Scratches

- 1. Clear any chipped paint or material adhering to scratched area.
- **2.** Apply automotive grade primer to scratch.
- **3.** Paint primed area with automotive high gloss paint.

Lubrication

- **1.** Remove all dirt and foreign matter from hinge areas.
- **2.** Lubricate hinge areas in between the sheet metal portions of the steps.

NOTE: Utilize a dry silicone lubricant. Wet lubricants will attract dirt and possibly cause damage to the hinge areas.

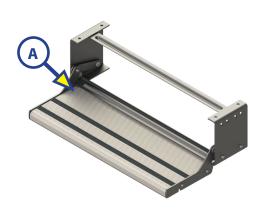

Anti-Skid Tape

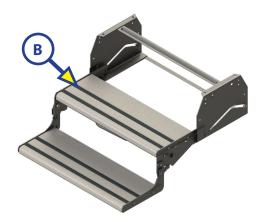

- 1. Inspect steps for loose, missing or damaged anti-skid tape.
- 2. Replace anti-skid tape as necessary.

STEPS

<u>Alumi-Tread</u>®

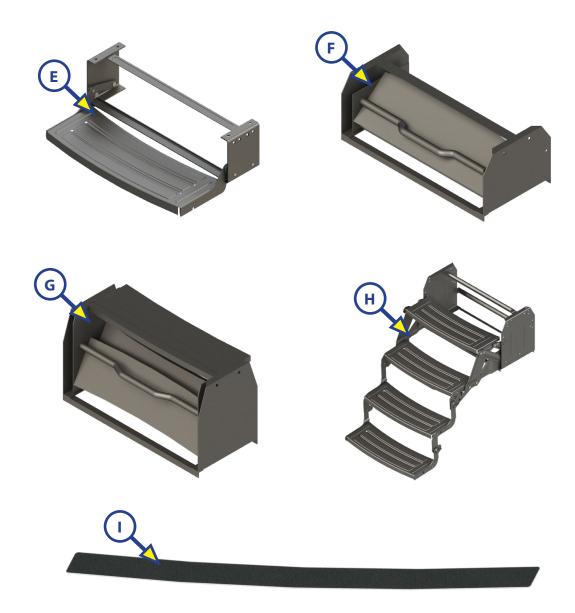

Callout	Part #	Description	
А	430063	Alumi-Tread® Single Step (OBSOLETE)	
В	429994	Alumi-Tread® Double Step (OBSOLETE)	
С	<u>432696</u>	Alumi-Tread® Triple Step	
D	<u>432698</u>	Alumi-Tread® Quad Step	

STEPS

Steel Steps

Callout	Part #	Description
E	<u>432678</u>	24" Radius Single Step
F	<u>432682</u>	24" Radius Double Step
G	<u>432687</u>	24" Radius Triple Step (7" rise)
	<u>432690</u>	24" Radius Triple Step (9" rise)
Н	<u>367091</u>	24" Radius Quad Step (8" rise)
I	<u>181638</u>	Anti-Skid Tape (19.5" x 1.25")
	<u>226893</u>	Anti-Skid Tape (22.25" x .5")
	<u>237520</u>	Anti-Skid Tape (21" x 3")

STEPS

<u>Tread-Lite</u>®

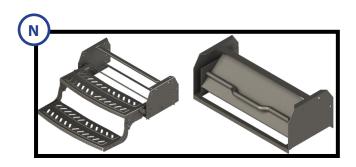

Callout	Part #	Description
J	328730	Tread-Lite® - Single (OBSOLETE)
K	344420	Tread-Lite® - Double (OBSOLETE)
L 258998		Tread-Lite® - Triple (OBSOLETE)

STEPS

NOTE: The below steps are supported by Hickory Springs. To determine if your steps are supported by Hickory Springs, thoroughly examine them for an "HS" embossed in the side plates. If they are supported by LCI, you will see an embossed "X" on the side plates instead.

Callout	Hickory Springs Part #	LCI Part #	Description
М	235453	<u>432678</u>	Single Step 24" Radius
N	235454	<u>432682</u>	Double Step 24" Radius
0	235456	<u>432687</u>	Triple Step 24" Radius
P	235457	199182	Triple Step Wide Body (OBSOLETE)
