## INTRODUCTION

The MORryde StepAbove RV step system gives you more stability, security, and safety as you enter and exit your RV.

## OPERATION INTRUCTIONS

### Step 1

Open the RV door and disengage the safety latch.

### Step 2

Carefully pull the step down from the doorway.

### Step 3

Press the button on the side of the StepAbove to auto-deploy the step legs and level the steps to adjust for uneven terrain.

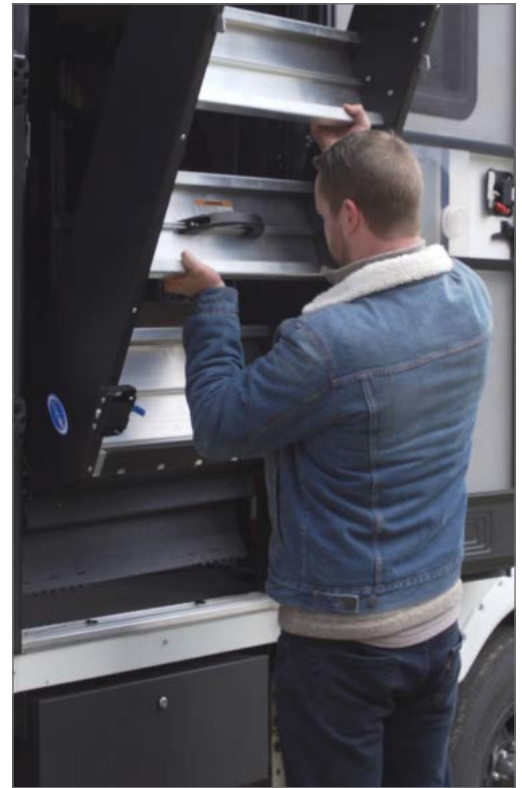

### Done!

Above. Beyond. Always.

## REMOVAL

When the StepAbove is folded up inside the doorway of your unit, pull the removeable pins from the hinge to release the steps and carefully pull them out of the doorway.

## MAINTENANCE & TROUBLESHOOTING

**Sweep any unwanted dirt off steps prior to flipping them up into the doorway for travel.**

**Do not lift steps into the doorway if the door is closed to avoid damage to the door.**

**Do not set the RV in motion while steps are deployed.**

If you have any questions regarding the installation procedure or have difficulty with any of the steps, please give us a call at **574-293-1581** or email **parts@morryde.com**.

At MORryde, we have a passion for solving problems. Whether we're fabricating custom solutions, modifying a commercial chassis, or creating our innovative products, we answer to a wide range of markets and deliver on a variety of needs. At MORryde, it's simply about doing MORE for our customers, and it doesn't stop at the sale. We stand behind our products, believing in quality first, service always. No matter the issue, we'll be the first to respond and the last to be satisfied. In short, we build better — together.

VERSION 1
